23. Internal Assessment **15**

There are 35 marks for the given questions and 15 marks for internal assessment. Hope you have noted down the marks for internal assessment from the beginning of this second semester. (See Vachanadeepam Page 8-12) Write down the marks which the student gets out of 35 (for exam) and out of 15 (internal assessment) separately. Add them together and write total marks on the answer sheet. For example, if a student gets 30/35 and 8/15, on the top of the answer sheet, it must be written $30+8 = 38$
 50 . Answer sheets with 40 and above marks should be sent to the archdiocesan catechism office. The student must obtain 40 and above marks separately for both semesters in order to be eligible for the scholarship. Do not send papers of those students, whose first semester papers were not accepted by the catechism central office, even if they get 40 and above marks for the second semester. The teacher should be ready to explain the criteria (6 criteria separately) of given internal assessment marks once the student becomes eligible for scholarship award.
